

### **Design Consultant – St Albans (Full time)**

We are delighted to offer a full-time position for a highly motivated, friendly and enthusiastic individual to work at our St Albans showroom. As a Design Consultant you would advise customers on choosing their ideal sofa which involves patience, creativity and a great personality. You would have a flair for putting colour schemes together in the showroom and have a natural instinct to treat customers to the highest level of Customer Service.

An outgoing personality who enjoys talking to people, you will come from a strong retail background preferably in furniture sales. You must have great communication skills, be well presented, have a positive attitude and, above all, be a people person. Although previous experience in sofa sales would be a plus it is not essential as full training will be given. Sound administration skills and computer literacy are essential. Previous experience within an interior design environment would be strongly beneficial.

As we are open every day the flexibility to be able to work weekends is essential.

To ensure there is a sales presence at all times this will involve regular weekend work as required. Working 5 out of 7 days.

You will be offered a basic salary along with a rewarding commission structure.

If you think you can bring something special to a close-knit team and would like to work in a relaxed and friendly environment, then we would love to hear from you.

**Salary:** £25,000 OTE (inclusive of commission)

**Job type:** Full-time, Permanent
